Packaging Marking for FCC ID: X2PAMPRF-1

This letter will serve as confirmation that additional marking will be added to 100% of production. This marking will be added to carton label and will include the following statement;

"This amplifier may only be used with access point FCC ID: X3PAMPRF-1. Access point FCC ID: X2PAMPRF-1 consists of one of the antennas listed in the installation instructions and an access point model CRLU-201 or TRX-401. Refer to installation instructions for Details."

Please do not hesitate to contact me if you have any further questions or concerns.

A handwritten signature in blue ink, appearing to read "LN", followed by a long horizontal line.
